### ORGANISATION

- **Transport:** If the band is travelling by airplane or train, appropriate transportation needs to be organized by the festival/venue (taxi or private driver), in order to join the venue and hotel.
- **soundcheck** : 2 hours of soundcheck are necessary, the backline needs to be installed before the band starts the soundcheck.
- **Tuning of the piano** : if there is an acoustic piano, it needs to be tuned before the beginning of the concert at 440 MHz.

### DRESSING ROOMS

- min. 2 dressing rooms with mirror and sofa, table, chairs
- fridge with snacks, fruits, nuts
- non-alcoholic and alcoholic drinks (water without bubbles, craft beer, limonade, juices)
